REMARKS

The Applicant has, with this communication, added the Listing of the Claims to the response to the Office Action of 1/23/2008. Claims 1- 29 are cancelled and Claims 30- 64 are the same as previously submitted in the response dated 4/17/2008.

The Applicant has previously amended Specification and Claims of this application, as the written record clearly shows. The Applicant was confused by the Notice of Non Compliant Amendment dated 5/16/2008 concerning Claims 1-29, which were marked as cancelled in the response of 4/17/2008. The applicant appreciates the constructive assistance of the Examiner as provided in sections 707.07(j) and 2173.02 of the U S Manual of Patent Practice. Examiner Borissov informed the Applicant that a separate Listing of Claims on separate paper was needed.
